----------------------	---

**Required of all students not meeting the University requirements of three years of a single foreign language in high school.

Lower division requirements have been selected to assist students with completing the general education requirements, including two W courses (one must be 2000-level or higher and associated with the student's major) and two Q courses (one Q course must be from Mathematics or Statistics). The courses fulfilling the Content Areas One, Two, and Three requirements must be drawn from at least six different subjects as designated by the subject letter code (e.g., ANTH or PVS). The courses within each of these content areas must be from two different subjects.

***Students must earn at least 120 credits with a minimum total grade point average of 2.2.**
